The Bowie-Crofton Camera Club invites you to... the fun way to better photography

- About you** Do you want to improve your photography?
Would you like to share your photographic skills?
Then the Bowie-Crofton Camera Club is for you.
- About us** Our members range from beginners to highly skilled photographers. Our interests are in black & white prints, color prints, and digital imaging, with many devotees in each division.
- What / When** You will find this an active club. We meet four Monday evenings most months, September through May, for competitions, lectures, demonstrations and discussions.

We conduct workshops, go on fun-filled field trips and publish an informative, award-winning newsletter.
- Competition** You will find the competition meetings, one each month, friendly and helpful.

Skilled judges constructively critique each photograph so you can learn what is good and what can be improved.
- Photo Talk** At the second meeting each month, bring your questions, suggestions and experiences for a lively, unstructured session of mutual help and information. Have some of your prints and digital images constructively critiqued by members present.
- Program** At the third meeting each month, you meet a variety of expert guests, including professional photographers, instructors and advanced amateurs, with interesting, informative and entertaining programs.
- How To** At the fourth meeting each month, members and invited photographers introduce you to a broad range of photographic techniques and equipment to enhance your skills.
- Workshops** Advanced members conduct informal workshops affording you hands-on instruction or guidance in various areas such as basic knowledge, flash photography, digital darkroom, multimedia presentations, etc.
- Field Trips** Many weekends you can join informal field trips for on-the-spot photographic experiences, camaraderie and all around good fun.
- PSA Affiliation** Bowie-Crofton Camera Club has been a member of the Photographic Society of America (PSA) for more than 40 years. PSA offers you seminars, regional and international competitions, plus other services throughout the year.
- Dues** \$40.00 for Individual membership
